SUBJECT: H.R. 4027 "Federal Automobile Mileage Reduction
Act of 1979"

1. Subject legislation mandates a reduction in the annual automobile mileage and fuel consumed by automobiles owned or leased by all Federal Executive agencies.

2. The bill authorizes the President to stipulate that the aggregate mileage traveled by automobiles leased or owned by Federal agencies in each fiscal year after 30 September 1979 be equal to or less than base period mileage established for each agency. In effect, there will be a gradual reduction of permissible automobile useage by Federal agencies to the extent of 10% by 1983 and 20% by 1993. Travel involving reimbursement for the use of employee-owned or rented automobiles will be affected in similar fashion.
